Excavate & Dispose

Soil Vapor Extraction (P)

Bio Remediation (IS)

Total dollars requested for the next 12 months: \_\_\_\_\_ Estimated Time Until NFA \_\_\_\_\_ (months)

Is the RAP (check only one response)

ahead of schedule

on schedule

behind schedule

Is the RAP (check only one response)

over budget

on budget

under budget

**Cost Summary:** **Please attach** a detailed cost breakdown (labor, time and materials, etc.) for the work proposed in this application. Any modifications to the original pre-approval must also be explained in an attachment and be pre-approved.

**Progress Summary:** **Please attach:**

- A brief (no more than two pages) narrative regarding progress made on the RAP. Please do not attach lengthy reports completed to fulfill BUSTR requirements;
- A site map showing the location of all monitoring wells, soil borings, and remediation system wells/points;
- A graphic or tabular summary of the reduction of chemicals of concern relative to the site-specific target levels (SSTLs).

**RAP Evaluation:** If the RAP is behind schedule, over budget, *or* has been in process for more than 2 years, please provide a brief statement evaluating whether a more cost effective remedial alternative can be applied.
