# Memorandum

**To:** The Petroleum Underground Storage Tank Release Compensation Board  
**From:** Scott King – Bureau Chief - BUSTR  
**Re:** BUSTR Report  
**Date:** September 5, 2023

## PERSONNEL –

Currently BUSTR has a full staff of thirty (30) team members.

## ADMINISTRATION –

### Responsible Party Search Project

BUSTR is prioritizing the files based on new federal Environmental Justice (EJ) criteria. The 2023-2024 fiscal year includes funding for sixty (60) RP searches. Since there were more searches to be done than funding, BUSTR has prioritized the sites based on federal Environmental Justice (EJ) criteria. To date, fifty-one (51) files have been distributed to the vendors.

### Customer Centric Activities/Service

BUSTR central office personnel remain on a hybrid two day a week in office reporting structure. All customer inquiries/questions are being timely responded to by field and in-house staff. The corrective actions staff are successfully reviewing electronically submitted and hard copy submitted reports in a timely manner while the field inspection staff are performing operational compliance inspections of underground storage tank facilities in order to meet Federal Grant guidelines.

**UST/LUST Grant Updates:**

The Corrective Action Section has received allocation of the LUST Grant for FY 2024 from the Federal US EPA-OUST Program. A new grant application will be completed for FY 2025 and FY 2026 in April of 2024. The Release Prevention Section has been approved and allocated a new UST Grant for FY 2024 and FY 2025 from the Federal US EPA-OUST Program.

**TRAINING AND STAFF DEVELOPMENT –**

BUSTR staff recently started a new cycle of ethics training and other miscellaneous training for 2024. BUSTR staff have also started a new cycle of OSHA refresher training for FY 2024.

**TRAINING TO STAKEHOLDERS –**

BUSTR provided annual Certified UST Installer and Certified UST Inspector courses in March of 2023 with twenty-four (24) graduates. New courses are being scheduled for April of 2024. BUSTR will be providing a continuing education course for UST Inspectors and Fire Safety Inspectors in September 2023.

**ACTIVITY –**

The BUSTR database called Ohio Tank Tracking & Environmental Regulations (OTTER) is showing its age. OTTER went live in the year 2000 and has been updated several times. Initial kickoff of the new 3DI/ Otter system started August 4, 2023 with expected completion and live rollout December 2024.

## PROCEDURAL BACKGROUND

This matter came on for a record hearing at 10:00 a. m. on July 12, 2023 in the boardroom of the Petroleum Underground Storage Tank Release Compensation Board at 4151 Executive Parkway, Suite 350, Westerville, Ohio 43081. Applicant/Objectors Anthony T. and MaryAnne Zeakes have proceeded with their objection without representation, and in lieu of attending the hearing presented their position in this case through a written statement dated June 20, 2022, appearing in the hearing record as Exhibit D, page 3. The Director of the Petroleum Underground Storage Tank Financial Assurance Fund was represented at the hearing by the Ohio Attorney General's Office through a Senior Assistant Attorney General. The representative of the Director of the PUST Financial Assurance Fund was afforded a full and fair opportunity to present evidence and arguments in support of the Director's position. Following the presentation of an oral closing argument on behalf of the Director, the hearing was declared concluded at 10:30 a. m. on July 12, 2023.

This matter proceeds under the authority of Ohio Revised Code sections 3737.91(G) and 3737.92(F), and in accordance with procedures required by Ohio Revised Code Chapter 119.

Mr. and Mrs. Zeakes have standing before the Petroleum Underground Storage Tank Release Compensation Board (PUSTRCB) in this proceeding through a written objection timely filed with the PUSTRCB on June 29, 2022, objecting to action taken by the Director of the Petroleum Underground Storage Tank Financial Assurance Fund on May 31, 2022, denying PUST Financial Assurance Fund eligibility to Mr. and Ms. Zeakes based upon an application for eligibility filed on April 5, 2021 that was determined to be untimely filed. The June 29, 2022 objection filed by Mr. and Mrs. Zeakes as to the May 31, 2022 denial of Mr. and Mrs. Zeakes' eligibility application was followed by a record hearing scheduled for, convened, and completed on July 12, 2023.

This matter is properly before the Petroleum Underground Storage Tank Release Compensation Board for review and determination.

#### STATEMENT OF THE CASE

Ohio Revised Code section 3737.91(A) establishes the Petroleum Underground Storage Tank Financial Assurance Fund.

Ohio Revised Code section 3737.90(A) establishes the Petroleum Underground Storage Tank Release Compensation Board, charging this body with the responsibility of implementing and administering Ohio Revised Code sections 3737.90 to 3737.98.

Ohio Revised Code section 3737.90(B)(2) empowers the Petroleum Underground Storage Tank Release Compensation Board to adopt, amend, and rescind such rules as are necessary or appropriate to implement and administer Ohio Revised Code sections 3737.90 to 3737.98, including rules establishing priorities for the payment of claims under Ohio Revised Code section 3737.92 on the Petroleum Underground Storage Tank Financial Assurance Fund established by Ohio Revised Code section 3737.91, based upon a consideration of the date that a claim is originally filed and the threat to human health and the environment posed by the release to which the claim applies.

A rule originally adopted by the Petroleum Underground Storage Tank Release Compensation Board in 1990, a rule most recently amended by the PUSTRCB on July 1, 2020, is Ohio Administrative Code section 3737-1-07, a rule titled “Establishing fund eligibility for corrective action.” Ohio Administrative Code section 3737-1-07(A)(1) reads as follows:

(A) As a prerequisite to determining fund payment of or reimbursement for corrective action costs for an accidental release of petroleum, the director of the fund shall issue a determination of eligibility for payment of or reimbursement for such costs where all of the following conditions are established:

- (1) Receipt of an application for eligibility, from a responsible person, within one year from the date the release incident was required to be reported to the fire marshal[.]

The application for Petroleum Underground Storage Tank Financial Assurance Fund Eligibility filed on behalf of Mr. and Mrs. Zeakes, State's Exhibit B, was received by the Petroleum Underground Storage Tank Release Compensation Board on April 5, 2021. At page one of this application it is reported that an accidental release of petroleum occurred at the site, Sunoco #0002-5940 at 401 Main Street, Bridgeport, Ohio 43912, in Belmont County, a petroleum release first suspected on October 4, 2019 when a product line to a regular gasoline underground storage tank at the site failed a tightness test. This test failure and suspected petroleum release was reported to the State Fire Marshal's Bureau of Underground Storage Tank Regulations (BUSTR) on October 4, 2019. The release site identified in the application contains, according to page two of the eligibility application, two 10,000 gallon gasoline underground storage tanks, one regular gasoline and one premium gasoline; one 10,000 gallon diesel underground storage tank, and one 1,000 gallon used oil underground storage tank. The three 10,000 gallon underground storage tanks were installed in 1986, as was the 1,000 gallon underground storage tank. The 1,000 gallon used oil underground storage tank was removed on December 16, 1996. The three 10,000 gallon underground storage tanks were closed in place following the suspected release at the site on October 4, 2019. New underground storage tanks were installed at the site on January 6, 2021.

In response to the application for PUST Financial Assurance Fund eligibility submitted by the the Zeakes on April 5, 2021, the Director of the PUST Financial Assurance Fund directed correspondence to the Zeakes on May 31, 2022 denying their eligibility application. The grounds for the denial as specified in the May 31, 2022 letter to the Zeakes, State's Exhibit C, included a finding

that the eligibility application was not timely filed, citing Ohio Administrative Code section 3737-1-07(A)(1), a provision that requires the filing of the eligibility application within one year from the date the release was required to be reported to the State Fire Marshal. The release at the site was first suspected on October 4, 2019 and reported to the State Fire Marshal, through BUSTR, on October 4, 2019, a report that was required to have been made by October 5, 2019. Ohio Administrative Code section 1301:7-9-13(D), a rule adopted by the State Fire Marshal, requires a release, a suspected release, or a confirmed release be reported to the State Fire Marshal within twenty-four hours of discovery.

The May 31, 2022 correspondence from the Director of the PUST Financial Assurance Fund sent to the Zeakes noted that the October 4, 2019 suspected release was required to be reported to the State Fire Marshal by October 5, 2019, which means that the eligibility application was required to be submitted by October 5, 2020, the one year following the report of the release to the State Fire Marshal in which to file an eligibility application with the PUST Financial Assurance Fund as specified in Ohio Administrative Code section 3737-1-07(A)(1).

The May 31, 2022 denial letter sent to the Zeakes by the Director of the PUST Financial Assurance Fund also noted that an accidental petroleum release at the site was reported to have occurred from only one of the tank systems at the site, the product line of the underground storage tank system associated with Tank #1 on the tank inventory form, the 10,000 gallon regular gasoline underground storage tank. The Director of the PUST Financial Assurance Fund noted in her May 31, 2022 correspondence that no release was suspected, confirmed, or reported to have occurred from any of the other underground storage tanks or underground storage tank systems at the site. Because the release at issue relates to only one of the underground storage tanks at the site, the Director of the PUST Financial Assurance Fund determined that the other tanks and their related systems are not

eligible for PUST Financial Assurance Fund reimbursement. In this regard Ohio Revised Code section 3737.92(A)(3) was cited, a statutory provision that limits reimbursement from the PUST Financial Assurance Fund to the reimbursement of owners and operators of underground storage tanks for corrective action costs associated with accidental releases of petroleum from assured underground storage tanks. Also cited in this regard was Ohio Revised Code section 3737.92(D)(1) which provides that a responsible person is not eligible to receive payment or reimbursement from the PUST Financial Assurance Fund unless the responsible person possessed a valid certificate of coverage for the petroleum underground storage system from which the release occurred.

The May 31, 2022 denial letter from the Director of the PUST Financial Fund to the Zeakes stated that because no information was provided about any suspected or confirmed petroleum release from tanks other than Tank #1, Tanks #2 and #3 and their related systems cannot be granted eligibility to make a claim upon the PUST Financial Assurance Fund.

The Director's May 31, 2022 denial letter informed the Zeakes of their right to file an objection to the Director's determination to deny the Zeakes' eligibility application if the objection were to be filed with the PUSTRCB within thirty days of the mailing of the Director's May 31, 2022 denial letter. Addresses for regular mail, email, and facsimile transmission were provided.<sup>1</sup>

The May 31, 2022 denial letter from the Director of the PUST Financial Assurance Fund was mailed to the Zeakes on May 31, 2022 and delivered to the Zeakes, certified mail, on June 3, 2022. See State's Exhibit C, pages 1-5.

On June 29, 2022, via email, Anthony T. Zeakes filed a letter with the PUSTRCB that requested

---

<sup>1</sup> The May 31, 2022 denial letter from the Director of the PUST Financial Assurance Fund concludes with a reference to a Claim Reimbursement Application totaling \$24,270.11 that had been received. This correspondence stated that if a timely objection to the eligibility determination were to be filed, the Claim Reimbursement Application will remain open until the issue as to eligibility is resolved

an objection be entered to the Director's May 31, 2022 denial of the eligibility application from the Zeakes. In his letter Mr. Zeakes presents information about his health history, including serious medical conditions that arose shortly after the release at the site in early October, 2019. Mr. Zeakes notes in his letter that he was hospitalized with a critical heart condition from late October, 2019 through November 22, 2019.

Mr. Zeakes, in his letter objecting to the denial of his eligibility application, refers to the Covid outbreak in March 2020, an illness he contracted twice in the following six months. Mr. Zeakes states in his letter that during this time State of Ohio offices had not been manned and when he became able to communicate with staff, he was unable to reach staff to assist him.

Mr. Zeakes concludes his letter of objection with the following:

I am asking that you re-look at my situation and approve my claim based on my unavailability to file in a timely manner. It should also be noted that I have been a paying member of the association for over forty years with no prior claims.

On June 30, 2022, the Executive Director of the PUSTRCB directed to Mr. and Mrs. Zeakes a written acknowledgment of the PUSTRCB's receipt of the appeal of the denial of the Zeakes' eligibility application, issued by the Director of the PUST Financial Assurance Fund on May 31, 2022, and a request for a hearing on the objection. The hearing requested by the Zeakes was scheduled by the Executive Director of the PUSTRCB for July 13, 2022, and then continued to a date agreeable to the parties. See State's Exhibit E.

On May 18, 2023, the Executive Director of the PUSTRCB mailed to Mr. Zeakes notice of the scheduling of the hearing requested by Mr. Zeakes for July 12, 2023 at 10:00 a. m. at the offices of the PUSTRCB. This notice was received through certified mail on May 22, 2023 by MaryAnne Zeakes. See State;s Exhibit G.

The hearing requested by Mr. Zeakes on June 29, 2022 was convened on July 12, 2023. No one on behalf of the Zeakes participated in the hearing. The Zeakes chose to present their case in support of their objection through a written letter provided by Mr. Zeakes on June 29, 2022.

This matter is properly before the PUSTRCB for review and resolution.

## SUMMARY OF TESTIMONY

### Jonathan Maneval

Jonathan Maneval has been an employee of the Petroleum Underground Storage Tank Release Compensation Board (PUSTRCB) for eighteen years. His present position is Executive Assistant to the Executive Director of the PUSTRCB. In his present position Mr. Maneval serves as the custodian of files maintained by the PUSTRCB that include records relevant to the eligibility application filed by Anthony T. and MaryAnne Zeakes.

Mr. Maneval identified State's Exhibit A as correspondence from the Executive Director of the PUSTRCB dated December 20, 2019, to Anthony and MaryAnne Zeakes. This letter referred to a suspected release reported to BUSTR at the site of Zeakes Sunoco on Main Street in Bridgeport, Ohio. Within this correspondence was the following:

... Based upon a preliminary review of the Board's records, you *may* be entitled to reimbursement of the actual and necessary costs of corrective action that exceed your deductible amount of coverage with the Financial Assurance Fund(Fund).

To receive a determination regarding your eligibility to place a claim for reimbursement against the Fund, you must submit an Application for Financial Assurance Fund Eligibility within one year of the date the suspected release was required to be reported to the State Fire Marshal. Upon receipt of your application, a review will be conducted in accordance with Ohio Administrative Code (section) 3737-1-07 and a determination will be issued to you...

Mr. Maneval identified State's Exhibit B as the Petroleum Underground Storage Tank Release Compensation Board Application For Financial Assurance Fund Eligibility filed on behalf of Mr. and Mrs Zeakes, received by the PUSTRCB on April 5, 2021. This eligibility application, on its first page, refers to a suspected release from the regular gasoline underground storage tank at the site on October 4, 2019, and a report of this release to the State Fire Marshal on October 4, 2019. Mr. Maneval noted that attached to the eligibility application is a Tier 1 Notification Report from BJAAM Environmental, Inc. as to the Sunoco gas station at 401 Main Street, Bridgeport, Ohio, a Tier 1 Notification Report submitted to BUSTR on February 3, 2021.

Mr. Maneval identified State's Exhibit C as the May 31, 2022 denial letter from the Director of the PUST Financial Assurance Fund directed to Mr. and Mrs. Yeakes denying their eligibility application due to untimeliness of the eligibility application's filing. Mr. Maneval stated that the Director's determination in this regard was based upon the release being suspected, confirmed, and reported in early October, 2019, and the eligibility application being filed with the Petroleum Underground Storage Tank Release Compensation Board on April 5, 2021, six months after the deadline for such a filing set through an administrative rule adopted by the PUSTRCB.

Mr. Maneval noted that the accidental petroleum release at the site was first suspected on October 4, 2019; requiring a report to BUSTR within twenty-four hours, that is, by October 5, 2019, followed by one year in which an eligibility application related to the release could be filed. Mr. Maneval noted that the release was first suspected on October 4, 2019, giving rise to a required report to BUSTR by October 5, 2019, with a deadline to file an eligibility application as to this release by October 5, 2020. In this case, noted Mr. Maneval, the eligibility application was filed on April 5, 2021, six months after the October 5, 2020 deadline.

Mr. Maneval also noted that the May 31, 2022 denial letter from the Director of the PUST

Financial Assurance Fund to Mr. and Mrs. Zeakes referred to the fact that the only tank from which a release was reported was tank #1. The May 31, 2022 denial letter states that no reference had been made to any other tank or tank system at the site, and therefore no tank other than tank #1 was being considered for eligibility to make a claim upon the PUST Financial Assurance Fund.

The May 31, 2022 denial letter was delivered through certified mail on June 3, 2022. See State's Exhibit C, pages 1-5.

Mr. Maneval identified State's Exhibit D, page 3 as the written objection received from Anthony T. Zeakes, directed to the PUSTRCB by MaryAnne Zeakes, through an email attachment, on June 28, 2022 at 6:46 p. m., officially time-stamped received by the PUSTRCB on June 29, 2022 at 10:15 a. m.<sup>2</sup>

Mr. Maneval identified State's Exhibit E as a written acknowledgment from the Executive Director of the PUSTRCB directed to Mr. and Mrs. Zeakes of the receipt of the objection and request for a hearing as to the May 31, 2022 denial of their eligibility application issued by the Director of the PUSTRCB Financial Assurance Fund. This acknowledgment scheduled the requested hearing for July 13, 2022, and then ordered the July 13, 2022 scheduled hearing continued to a date that was available to all parties.

Mr. Maneval identified State's Exhibit F as correspondence from the Director of the PUST Financial Assurance Fund to the Zeakes dated March 3, 2023. This letter reiterated the reason underlying the denial of their eligibility application, the failure to file the eligibility application within the year following the required report of a release, as required by Ohio Administrative Code section 3737-1-07(A)(1). This deadline was recalled from a December 20, 2019 letter to the Zeakes which noted the one year deadline for the filing of an eligibility application, the one year following the date

---

<sup>2</sup> The complete text of the written objection filed on June 29, 2022 with the PUSTRCB by Mr. and Mrs. Zeakes appears in the Positions of the Parties section of this report, under Position of the Appellant/Objectors.

upon which a suspected release is required to be reported to the State Fire Marshal, in this case, October 5, 2019, the day that was within twenty-four hours of the suspected release discovered on October 4, 2019.

The Director's March 3, 2023 letter to the Zeakes, State's Exhibit F, also stated that throughout the COVID-19 pandemic, the PUSTRCB maintained operations during regular customer hours through telephone calls, email, and written correspondence to and from PUSTRCB staff. The Director in her March 3, 2023 correspondence to the Zeakes stated that if the Zeakes were still pursuing a hearing the hearing would be scheduled. This correspondence was delivered to the Zeakes certified mail on March 7, 2023.

Mr. Maneval identified State's Exhibit G as the scheduling letter dated May 18, 2023 directed to Anthony Zeakes, scheduling the hearing requested by the objectors for July 12, 2023 at 10:00 a. m. at the offices of the PUSTRCB.

## POSITIONS OF THE PARTIES

### Position of the Director of the Petroleum Underground Storage Tank Financial Assurance Fund

It is the position of the Director of the Petroleum Underground Storage Tank Financial Assurance Fund that Ohio Revised Code section 3737.90(B)(2) empowers the Petroleum Underground Storage Tank Release Compensation Board to adopt rules that are necessary or appropriate to the implementation and administration of Ohio Revised Code sections 3737.90 to 3737.98. An administrative rule adopted by the PUSTRCB under this rule-making authority is Ohio Administrative Code section 3737-1-07(A)(1).

Ohio Administrative Code section 3737-1-07(A)(1) provides that an eligibility application necessary to making a claim upon the PUST Financial Assurance Fund be filed within one year of the

date upon which a suspected accidental release of petroleum was required to be reported to the State Fire Marshal. The accidental petroleum release in this case was required to be reported to the State Fire Marshal by October 5, 2019, and a report of the suspected release was made on October 4, 2019. It is noted that with a release report to the State Fire Marshal required by October 5, 2019, an eligibility application to make a claim upon the PUST Financial Assurance Fund for the October 4, 2019 release, to be considered timely filed, would have to be filed by October 5, 2020. The eligibility application from Mr. and Mrs. Zeakes was filed on April 5, 2021, six months after the October 5, 2020 deadline for such a filing.

The Director of the PUST Financial Assurance Fund urges the hearing officer to apply the appropriate laws and rules and conclude that Mr. and Mrs. Zeakes' eligibility application, submitted on April 5, 2021, was untimely filed and therefore lawfully and appropriately denied.

Position of Anthony T. and MaryAnne Zeakes, Applicant/Objectors

Anthony T. and MaryAnne Zeakes have chosen to participate in this proceeding through a written position statement that appears in the record at State's Exhibit D, page 3. The position statement from the Zeakes is dated June 20, 2022, was officially received by the PUSTRCB on June 29, 2022, and, in its entirety, presents the following:

Dear Director Richmond:

This letter is in regards to your correspondence of May 31<sup>st</sup> 2022 which states that my claim against the Fund is Denied. I am at this time requesting to file an objection to your decision to deny our claim.

There were serious medical conditions in which occurred soon after the leak occurred. On October 20<sup>th</sup> 2019 I was in ER at Wheeling Hospital with chest pain and lack of oxygen. I was treated and sent home. On 11/1/2019 I returned to the ER and at the time went into cardiac arrest the doctor had to do electrical shock to my heart three times to restore normal heart rhythm.

I was then admitted to the Wheeling Park Medical hospital for 7 days before being sent to Ruby Hospital in Morgantown Wv. I was admitted to Ruby hospital on 11/6//2019. I was admitted to the critical heart care unit with acute heart failure. My condition was critical and I was there until 11/22/2019. At the time of my release I was fitted with a Life-vest that I wore 24 hours a day for three months.

I also had damage to my liver and kidneys for which I am still being treated for. I was sent home and given 60 days of in home therapy ending in February 2020.

In March 2020 the Covid outbreak set in and due to my severe health problems I succumbed to the Covid sickness twice in the next six months. Also during this time the State offices were not manned and when I was healthy enough I was not able to communicate with and staff that could assist me.

I then signed with BJAAM Environmental to help me thru my problems. I assumed they would file any reports to explain my position to your office.

I am asking that you re-look at my situation and approve my claim based on my unavailability to file in a timely manner. It should be noted that I have been a paying member of the association for over forty years with no prior claims.

I Thank You.

## DISCUSSION

Ohio Revised Code section 3737.91(A) is statutory language that establishes the Petroleum Underground Storage Tank Financial Assurance Fund (PUST Financial Assurance Fund).

Ohio Revised Code section 3737.90(B)(2) empowers the Petroleum Underground Storage Tank Release Compensation Board (PUSTRCB) to adopt rules as are necessary or appropriate to implement and administer Ohio Revised Code sections 3737.90 to 3737.98. This rule-making authority produced Ohio Administrative Code section 3737-1-07(A)(1), a rule of longstanding adopted by the PUSTRCB

that requires the filing of an eligibility application with the PUST Financial Assurance Fund within one year from the date upon which an accidental release of petroleum was required to be reported to the State Fire Marshal.

Neither party has disputed the validity of the one year deadline expressed in the administrative rule, and neither party has challenged the validity of the rule based on its adoption or application. This deadline has been in effect since 1990, and there is nothing in the statutory or regulatory authorities that recognizes any exigent circumstance that would serve to avoid this time limit. The release was required to be reported by October 5, 2019; an eligibility application about this release was required to be submitted by October 5, 2020.

The hearing officer is persuaded that there is a preponderance of evidence in the hearing record supporting a finding that an accidental release of petroleum occurred at the site on or about October 4, 2019. The Ohio Petroleum Underground Storage Tank Release Compensation Board Application for Financial Assurance Fund Eligibility, State's Exhibit B, the eligibility application filed on behalf of Mr. and Mrs. Zeakes, refers to the release first suspected on October 4, 2019 as being reported to the State Fire Marshal on October 4, 2019. This eligibility application also referred to a failed tightness test on October 4, 2019 in the system connected to the regular gasoline underground storage tank.

Mr. Zeakes has shared with the PUSTRCB his recent medical history and the serious, even critical health challenges Mr. Zeakes has had to confront and overcome. Mr. Zeakes has asked for flexibility as to the eligibility application filing deadline due to the incapacity of Mr. Zeakes from October 20, 2019 through October, 2020 from a critical heart condition, and from two bouts of Covid infection. Mr. Zeakes wanted to be heard in this matter and he has been heard through his written position statement.

The poor health suffered by Mr. Zeakes beginning in late October, 2019 was no doubt a

disabling condition but the PUSTRCB remained staffed during regular business hours during the year following October 5, 2019, staff that remained available to receive telephone calls, email, and regular mail. Mr. Zeakes' health challenges notwithstanding, it remains the case that the facts proven in this proceeding indicate an enforceable deadline that was not met. The filing deadline is a pre-condition to securing eligibility for claim reimbursement from the PUST Financial Assurance Fund. The pre-condition of filing the application within one year of the date of the required report of the release to the State Fire Marshal was not met, and therefore the denial of the application by the Director of the PUST Financial Assurance Fund on May 31, 2022 comprises valid state action as a matter of fact and law.

The hearing officer recommends to the Petroleum Underground Storage Tank Release Compensation Board that the May 31, 2022 decision by the Director of the Petroleum Underground Storage Tank Financial Assurance Fund to deny Anthony T. and MaryAnne Zeakes' April; 5, 2021 eligibility application under the Petroleum Underground Storage Tank Financial Assurance Fund, be affirmed, and the objection to the denial be dismissed.

## FINDINGS OF FACT

1. On October 4, 2019, an accidental release of petroleum at Sunoco station #0002-5940 at 401 Main Street, Bridgeport, Ohio 43912, in Belmont County, was first suspected and required to be reported to the State Fire Marshal by October 5, 2019.
2. The accidental release of petroleum at the release site first suspected on October 4, 2019 was reported to the State Fire Marshal on October 4, 2019.
3. The release site on October 4, 2019 contained one 10,000-gallon underground storage tank containing regular gasoline; one 10,000-gallon underground storage tank containing premium gasoline; one 10,000-gallon underground storage tank containing diesel fuel,

and one 1,000-gallon underground storage tank containing used oil.

4. On October 4, 2019, the regular gasoline product line at the site failed a tightness test.
5. On April 5, 2021, an application was filed with the PUSTRCB seeking PUST Financial Assurance Fund eligibility in relation to the release required to be reported to the State Fire Marshal by October 5, 2019.

## CONCLUSIONS OF LAW

1. Ohio Revised Code section 3737.91(A) authorizes the creation and operation of the Petroleum Underground Storage Tank Financial Assurance Fund (PUST Financial Assurance Fund).
2. Ohio Revised Code section 3737.90(B)(2) empowers the Petroleum Underground Storage Tank Release Compensation Board (PUSTRCB) to adopt rules that are necessary or appropriate to the implementation and administration of Ohio Revised Code sections 3737.90 to 3737.98.
3. Under the rule-making authority expressed in Ohio Revised Code section 3737.90(B)(2), the Petroleum Underground Storage Tank Release Compensation Board adopted Ohio Administrative Code rule 3737-1-07(A)(1), which reads:
  - (A) As a prerequisite to determining fund payment of or reimbursement for corrective action costs for an accidental release of petroleum, the director of the fund shall issue a determination of eligibility for payment of or reimbursement for such costs where all of the following conditions are established:
    - (1) Receipt of an application for eligibility, from a responsible person, within one year from the date the release incident was required to be reported to the fire marshal[.]
4. Ohio Revised Code section 3737.87(N) defines “responsible person” as meaning the owner or operator of an underground storage tank system.

5. Ohio Revised Code section 3737.87(Q) defines “underground storage tank system” as meaning “any underground storage tank and the connected underground piping, underground ancillary equipment, and containment system, if any.”
6. With an accidental release of petroleum that was required to be reported to the State Fire Marshal by October 5, 2019, an application seeking eligibility to make claims upon the PUST Financial Assurance Fund for reimbursement of corrective action costs arising from that release was required to be filed with the PUSTRCB no later than October 5, 2020.
7. The eligibility application from Mr. and Mrs Zeakes that had been required to be filed by October 5, 2020 was filed on April 5, 2021.
8. The April 5, 2021 filing of Mr. and Mrs. Zeakes eligibility application was an untimely filing under Ohio Administrative Code rule 3737-1-07(A)(1), and therefore the eligibility application was appropriately denied by the Director of the Petroleum Underground Storage Tank Financial Assurance Fund on May 31, 2022.
9. The denial of Mr. and Mrs. Zeakes' April 5, 2021 eligibility application by the Director of the Petroleum Underground Storage Tank Financial Assurance Fund on May 31, 2022 was valid state action as a matter of fact and law, and is a decision that the hearing officer recommends be affirmed by the Petroleum Underground Storage Tank Release Compensation Board.

## RECOMMENDATION

Based upon a preponderance of the evidence in the hearing record, and the Findings of Fact and Conclusions of Law presented in this report, the hearing officer recommends to the Petroleum Underground Storage Tank Release Compensation Board that the Applicant/Objectors, Anthony T. and MaryAnne Zeakes, filed their eligibility application with the Petroleum Underground Storage Tank Financial Assurance Fund in an untimely manner, failing to meet the deadline set for such a filing presented in Ohio Administrative Code section 3737-1-07(A)(1), and therefore the denial of Mr. and Mrs. Zeakes' eligibility application by the Director of the Petroleum Underground Storage Tank Financial Assurance Fund on May 31, 2022 was valid state action as a matter of fact and law, is a decision that should be **AFFIRMED**, and the objection filed by Mr. and Mrs. Zeakes should be **DISMISSED**.

## PROCEDURAL BACKGROUND

This matter came on for a record hearing on May 5, 2023 at 10:00 a. m. in the boardroom within the offices of the Ohio Petroleum Underground Storage Tank Release Compensation Board, 4151 Executive Parkway, Suite 350, Westerville, Ohio 43081. At the hearing both parties were afforded a full and fair opportunity to present evidence and arguments in support of their positions. The record hearing concluded on May 5, 2023 at 11:00 a. m. and the hearing record was closed at that time. The parties presented oral closing arguments at the conclusion of the hearing and waived the submission of post-hearing briefs.

This matter is properly before the Petroleum Underground Storage Tank Release Compensation Board for review and disposition pursuant to Ohio Revised Code section 3737.92(F).

## STATEMENT OF THE CASE

The release site addressed by this proceeding is the location of Hilltop One Quick Stop, 418 East Main Street, Williamsburg, Ohio 45176, in Clermont County. This location had contained two 10,000-gallon gasoline underground storage tanks and one 10,000-gallon diesel underground storage tank. Each tank had been installed on January 1, 1983; all three tanks were removed on January 12, 2021.

On October 5, 2021, the owner of the real estate upon which Hilltop One Quick Stop is located, Lucky Stars Management, LLC, filed with the Petroleum Underground Storage Tank Release Compensation Board a claim reimbursement application, State's Exhibit G, presenting a claim amount of \$13,024.74.<sup>1</sup> In its October 5, 2021 claim reimbursement application, Lucky

---

<sup>1</sup> Rakesh K. Patel is the managing member of Lucky Stars Management, LLC and the managing member of

Stars Management, LLC identified itself as the owner of the underground storage tanks and the responsible person for these tanks.

On June 17, 2022, the Director of the Petroleum Underground Storage Tank Financial Assurance Fund directed correspondence to Mr. Patel and Hilltop One Quick Stop, LLC. This correspondence, State's Exhibit A, notified Mr. Patel that the claim reimbursement application from Lucky Stars Management, LLC filed on October 5, 2021 was being denied. The June 17, 2022 claim determination letter from the Director of the PUST Financial Assurance Fund cited two reasons for the denial.

For \$11,111.44 of the \$13,024.74 reimbursement claim, the invoice that had been issued referenced costs associated with the disposal of 568.36 tons of soil generated by the tank removals and closure activities. This amount includes a fifteen percent (15%) markup.

Based upon analytical data in the closure assessment report, State's Exhibit H, a report submitted to the Bureau of Underground Storage Tank Regulations (BUSTR) on March 5, 2021 at the direction of the tanks' owner, the Director of the PUST Financial Assurance Fund determined "... the laboratory analytical results for all chemicals of concern in the stockpile soil samples were below action levels. Therefore, disposal of the stockpile is not demonstrated to be necessary for corrective actions. In addition, markup on disposal costs is not reimbursable." See State's Exhibit A, page one, paragraph 1. \$11,111.44 in claimed reimbursement was therefore denied, citing Ohio Revised Code section 3737.92(B)(3) and Ohio Administrative Code section 3737-1-09(A)(17) as the authority for this denial.

The remainder of the October 5, 2021 claim for reimbursement, \$1,913.30, was for staff labor and field expenses arising from the management, oversight, and record keeping required by the disposal of the soil stockpile generated by tank removal activities. The Director of the PUST

---

Hilltop One Quick Stop, LLC.

Financial Assurance Fund denied the \$1,913.30 portion of the claim because the Director determined that the costs of management, oversight, and record keeping associated with the removal of stockpiled soil are not reimbursable underground storage tank costs, citing Ohio Administrative Code section 3737-1-09(A)(9).

The June 17, 2022 claim determination letter directed to Mr. Patel included instructions on how to file an objection to the Director's determination, and noted the thirty-day period from the issuance of the claim determination in which to file an objection.

On July 15, 2022, Mr. Patel, in his capacity as managing member of Hilltop One Quick Stop, LLC, filed an objection to the Director's claim determination issued June 17, 2022, and requested an administrative hearing. The July 15, 2022 objection from Mr. Patel, State's Exhibit B, page two, noted that the soil removed from the tank cavity contained concentrations of petroleum that "... exceeded the PCS policy rules. Because new tanks were installed in the tank cavity, new backfill which met the warranty backfill requirements was required so as to not void the tanks warranty..." Mr. Patel stated in his July 15, 2022 objection that "... the backfill removed during the UST closure required regulated disposal..."

The July 15, 2022 objection from Mr. Patel was acknowledged received by the PUSTRCB through correspondence dated July 18, 2022. The hearing requested was scheduled for July 29, 2022, and then the hearing was continued at the direction of the Executive Director of the PUSTRCB to a date that was mutually agreeable to the parties. See State's Exhibit C.

On August 19, 2022, the Director of the PUST Financial Assurance Fund directed correspondence to Mr. Patel explaining in detail why the reimbursement claim had been denied. See State's Exhibit D. Accompanying the August 19, 2022 correspondence was a copy of Ohio Administrative Code section 1301:7-9-16, Petroleum contaminated soil. See State's Exhibit D-1.

On December 19, 2022, the hearing that had been requested by Mr. Patel on July 15, 2022, was scheduled to occur on May 5, 2023.

The hearing requested by Mr. Patel was convened on May 5, 2023 at 10:00 a. m. and the hearing concluded on May 5, 2023 at 11:00 a. m. Oral closing arguments were submitted by the parties at the conclusion of the hearing.

## SUMMARY OF TESTIMONY

### Hannah Brame

Hannah Brame is the Environmental Claims Supervisor for the Petroleum Underground Storage Tank Release Compensation Board (PUSTRCB). Ms. Brame holds a bachelor of science degree in geology and a master's degree in geology, both from Ohio University. Ms. Brame was first employed by the PUSTRCB in July, 2014, was subsequently away for one year but returned to employment by the PUSTRCB in 2018, and has continued in this employment to the present.

Ms. Brame identified State's Exhibit A as the June 17, 2022 claim determination letter from the Director of the PUST Financial Assurance Fund, denying the claim for reimbursement submitted by Lucky Stars Management, LLC and Hilltop One Quick Stop, LLC. Ms. Brame explained that, as expressed in the June 17, 2022 claim determination letter, \$11,111.44 of the \$13,024.74 reimbursement claim was disallowed because it involved the cost of disposing of soil from the site that was below soil contamination action levels, action levels that, when exceeded, require corrective action. Ms. Brame explained in her testimony that because the soil at the site tested below contamination action levels, the soil was not required to be moved off site, and therefore the costs of doing so are not reimbursable. Ms. Brame also pointed out that the \$11,111.44 figure is inflated by a fifteen percent (15%) markup, and markups are not allowed to

be reimbursed.

As to the remaining \$1,913.30 of the \$13,024.74 reimbursement claim, Ms. Brame noted that these costs arose from the management, oversight, and record keeping required in disposing of the soil excavated at the site for the removal of the old underground storage tanks. Because this soil tested below contamination action levels, the soil was not required to be removed from the site, and therefore did not require management, oversight, or record keeping. The costs arising from those activities in reference to soil that was not required to be moved off site, notes Ms. Brame, are not reimbursable.

Ms. Brame identified State's Exhibit B as the objection filed by Lucky Stars Management, LLC and Hilltop One Quick Stop, LLC to the June 17, 2022 claim determination from the Director of the PUST Financial Assurance Fund. This objection was received by the PUSTRCB on July 15, 2022.

Ms. Brame identified State's Exhibit C as an acknowledgment from the PUSTRCB dated July 18, 2022 that the objection had been received.

Ms. Brame identified State's Exhibit D as an August 19, 2022 letter from the Director of the PUST Financial Assurance Fund responding to information provided by the objectors and presenting a more detailed explanation of the Director's denial of the reimbursement claim.

Ms. Brame identified State's Exhibit D-1 as Ohio Administrative Code section 1301:7-9-16, Petroleum contaminated soil, a rule adopted by the State Fire Marshal. Ms. Brame noted that at Ohio Administrative Code section 1301:7-9-16(D)(2) provides that if excavated soil that has been appropriately sampled and analyzed does not exceed applicable action levels in Ohio Administrative Code section 1301:7-9-13, "... then the excavated soil may be deposited in the original excavation without further treatment..."

Ms. Brame identified State's Exhibit E as the December 19, 2022 correspondence that scheduled the hearing for May 5, 2023, and identified State's Exhibit F as the objectors' confirmation on February 2, 2023 of receipt of the notice about scheduling the hearing.

Ms. Brame identified State's Exhibit G as the claim reimbursement application filed by Lucky Stars Management, LLC with the PUSTRCB on October 5, 2021. Ms. Brame noted in her testimony that in reviewing State's Exhibit G, the claim reimbursement application, it was reported that Lucky Stars Management, LLC owns the real estate at 418 East Main Street, Williamsburg, Ohio 45176, and Hilltop One Quick Stop, LLC operates the fuel dispensing business at this site. Rakesh K. Patel is the managing member for both of these limited liability companies.

Ms. Brame identified State's Exhibit H as a Closure Assessment Report Form 207, prompted by the closure of the underground storage tanks at the 418 East Main Street, Williamsburg, Ohio 45176 site. This closure assessment report was directed to the Ohio Department of Commerce's Division of the State Fire Marshal and the State Fire Marshal's Bureau of Underground Storage Tank Regulations (BUSTR) on March 5, 2021 by the contractor employed by the objectors, Patriot Engineering and Environmental, Inc. of Cincinnati, Ohio. Pages 41 and 42 in the March 5, 2021 closure assessment report present the analytical results from soil samples taken from soil stockpiles at the site. Eighteen (18) separate soil samples were taken and analyzed at a laboratory, testing for nineteen (19) different petroleum contaminants, including benzene, toluene, ethylbenzene, total xylenes, naphthalene, 1,2,4 trimethylbenzene, and MTBE. Among the eighteen (18) soil samples collected and analyzed, one soil sample, soil sample SP-16, tested above a re-use level for naphthalene (0.051 milligrams per kilogram), but even this test result for naphthalene, (0.062 milligrams per kilogram) was below the action level

for naphthalene (0.511 milligrams per kilogram).

## OBJECTORS' EXHIBITS

The objectors presented four exhibits for admission to the hearing record.

Objectors' Exhibit 1 is Patriot Engineering and Environmental, Inc.'s Proposal Acceptance Agreement with Hilltop One Quick Stop, LLC, for a Tier 1 Source Investigation at 418 East Main Street, Williamsburg, Ohio 45176, with a projected cost of \$17,300.00.

Objectors' Exhibit 3 is a letter to Hilltop One Quick Stop, LLC, dated March 5, 2021, from the Director of the PUST Financial Assurance Fund, regarding eligibility to make a claim for reimbursement upon the Fund.

Objectors' Exhibit 4 is a letter from a BUSTR Environmental Specialist directed to Lucky Stars Management, LLC and Hilltop One Quick Stop, LLC, dated March 11, 2021, which advises these entities and Mr. Patel that a Tier 1 Source Investigation Report was required to be submitted by April 25, 2021. This correspondence also noted that they may be eligible to receive reimbursement for the costs of corrective action from the PUSTRCB.

Objectors' Exhibit 9 is the Hilltop One Quick Stop, LLC invoice for the purchase of three new underground storage tanks, dated June 11, 2022, showing a total of \$183,587.44.

## POSITIONS OF THE PARTIES

### Position of the Director of the Petroleum Underground Storage Tank Financial Assurance Fund

The Director of the PUST Financial Assurance Fund remains persuaded that the reimbursement claim from the objectors does not address corrective actions that are reimbursable under Ohio laws and regulations. The soil samples taken from the site and analyzed revealed a

level of soil contamination that was below action levels and therefore the soil resulting from the excavation at the site arising from the removal of the underground storage tanks was soil that was not required by any rule of the State Fire Marshal to be treated or disposed of or transported from the site. As the removal of the tested soil was not required to meet the requirements of the State Fire Marshal, the removal of the soil is not required corrective action, and therefore not reimbursable by the PUST Financial Assurance Fund. In this regard Ohio Revised Code section 3737.92(B)(3) is cited, as is Ohio Administrative Code section 3737-1-09(A)(17) which prohibits reimbursement for a markup of the costs of the soil's disposal.

The Director also cites Ohio Administrative Code section 3737-1-09(A)(9), a rule adopted by the PUSTRCB, that makes explicit that costs associated with the closure or removal of underground storage tank systems are not reimbursable by the PUST Financial Assurance Fund; only required corrective action costs may be reimbursed by the Fund.

It remains the position of the Director of the PUST Financial Assurance Fund that no part of the objectors' claim for reimbursement submitted on October 5, 2021 is reimbursable by the PUST Financial Assurance Fund because the activities for which reimbursement has been claimed do not qualify as corrective actions under the rules of the State Fire Marshal.

#### Position of Objectors Lucky Stars Management, LLC and Hilltop One Quick Stop, LLC

On behalf of the objectors it is noted that there is nothing in the hearing record indicating either Lucky Stars Management, LLC or Hilltop One Quick Stop, LLC has been out of compliance with Ohio laws and regulations bearing on their reimbursement claim. It is emphasized that Mr. Patel, the managing member of both limited liability companies, has always endeavored to remain in compliance with Ohio laws and rules adopted by the PUSTRCB and the State Fire Marshal. It is noted that Mr. Patel has tried to keep the site environmentally clean.

It is pointed out that while the state of Ohio action levels are what they are, they are different from the maximum contamination allowed in soil at the site so as to avoid nullifying warranties attaching to new underground storage tanks installed at the site. It is argued that the difference between what the state of Ohio allows in terms of soil contamination and what a manufacturer of an underground storage tank allows in terms of maintaining a warranty on a newly installed underground storage tank, has left the objectors between a rock and a hard place. The objectors could have left the soil in place for re-use and avoided the costs of removing the soil and thereby void the warranty on a newly installed underground storage tank, or the objectors could incur the costs of removing the soil to preserve the warranty on the new underground storage tanks, only to be denied reimbursement for the costs of this activity under Ohio's laws and rules.

The objectors do not dispute the contamination action levels applicable to the facts of this case, nor do they question applying and enforcing the laws and regulations bearing on the reimbursement of corrective action costs by the PUST Financial Assurance Fund. The objectors do wish to make it known that they strongly believe that there should be a closer coordination between the requirements of the state of Ohio on corrective action with what is demanded by the private sector in terms of the reuse of excavated soil. It is noted that Mr. Patel is doing everything he can to comply with the rules of the PUSTRCB, while also remaining profitable in the operation of his business.

## DISCUSSION

Ohio Revised Code section 3737.91(A) authorizes the establishment and operation of the Petroleum Underground Storage Tank Financial Assurance Fund.

Ohio Revised Code section 3737.91(B) provides that the purpose of the PUST Financial Assurance Fund includes the payment or reimbursement of corrective action costs.

Ohio Revised Code section 3737.92(E) provides that the Director of the PUST Financial Assurance Fund may make a determination to approve or disapprove a claim for reimbursement under the Fund. Ohio Revised Code section 3737.92(E) provides that upon making a determination of a claim under this section, the Director of the PUST Financial Assurance Fund is to provide written notice of the determination to the responsible person who submitted the claim for reimbursement, and is to send a copy of the determination to the State Fire Marshal.

Ohio Revised Code section 3737.92(F) includes the following:

If the responsible person who submitted a claim under this section or the fire marshal objects to the determination of the claim made by the director of the fund and files an objection to the determination with the board within thirty days after the mailing of the notification of the determination and finding of fact, if any, the board shall appoint a referee to conduct an adjudication hearing on the determination. The adjudication hearing shall be conducted in accordance with section 119.09 of the Revised Code. For the purposes of adjudication hearings on determinations of the director of the fund, the term “agency” as used in that section includes the board.

The claim determination by the Director of the PUST Financial Assurance Fund in the matter of the claim reimbursement application from Lucky Stars Management, LLC was issued on June 17, 2022. An objection to the Director's June 17, 2022 claim determination and a request for a hearing was filed on behalf of Lucky Stars Management, LLC and Hilltop One Quick Stop, LLC on July 15, 2022, a date that is within the thirty days following the mailing of the June 17, 2022 claim determination letter. The objection and hearing request were timely and appropriately filed and provide standing to the objectors in this proceeding before the Board.

Ohio Revised Code section 3737.92, Purpose of Fund, describes how the money

administered by the PUST Financial Assurance Fund is to be spent. Beyond the expenses arising from administering the Fund and the administrative expenses of the PUSTRCB, the monies in the PUST Financial Assurance Fund are to be used in payment to or reimbursement of responsible persons for the necessary costs of corrective action for improving property damaged by accidental releases of petroleum. See Ohio Revised Code section 3737.92(A)(3).

Ohio Revised Code section 3737.92(B) provides that before authorizing any disbursement from the Fund to pay all or any portion of a reimbursement claim, the Director of the PUST Fund is to first determine that the claim meets all of the criteria presented in Ohio Revised Code sections 3737.92(B)(1), (2), and (3). Ohio Revised Code section 3737.92(B)(3) reads: “The costs of performing the corrective action are necessary to comply with the rules of the fire marshal adopted under sections 3737.88 and 3737.882 of the Revised Code governing corrective actions.”

State's Exhibit H is a Closure Assessment Form 2017 that describes the tank removal activities at the site on January 12, 2021, including soil sampling and the laboratory analysis of the soil samples collected at the site. Page 6 of the Closure Assessment Report presents the single soil sample, among the eighteen soil samples taken from the site and analyzed, that reported a chemical contamination above the re-use level set by the State Fire Marshal through Ohio Administrative Code section 1301:7-9-16(D)(1), a rule adopted by the State Fire Marshal under the authority of Ohio Revised Code section 3737.88 and Ohio Revised Code section 3737.882. The chemical shown to be present in soil sample SP-16 above its re-use level is naphthalene, at a concentration of 0.062 milligrams per kilogram. The re-use level for naphthalene presented in the closure assessment report is 0.051 milligrams per kilogram; the action level for naphthalene presented in the closure assessment report is 0.511 milligrams per

kilogram. The naphthalene contamination concentration in soil sample SP-16 therefore was found to be above the re-use level provided by rule of the State Fire Marshal ( $0.062 > 0.051$ ) but below the action level set by the State Fire Marshal for naphthalene ( $0.062 < 0.511$ ).

Ohio Administrative Code section 1301:7-9-16, Petroleum contaminated soil, a rule adopted by the State Fire Marshal pursuant to Ohio Revised Code sections 3737.88 and 3737.882, provides at Ohio Administrative Code section 1301:7-9-16(D)(2):

If excavated soil sampled in accordance with paragraph (C) of this rule does not exceed the applicable action levels listed in rule 1301:7-9-13 of the Administrative Code, then the excavated soil may be deposited in the original excavation without further treatment. Following placement in the excavation, the soil shall be covered with a minimum of one foot of clean fill.

Ohio Administrative Code section 3737-1-09(A), a rule adopted by the PUSTRCB, provides that nothing in this chapter is to be construed to authorize reimbursement for:

(7) Costs not required for performing corrective action completed in accordance with rules of the fire marshal adopted under sections 3737.88 and 3737.882 of the Revised Code or, where applicable, completed in accordance with an order which establishes corrective action procedures and criteria for the site.

Ohio Administrative Code section 3737-1-09(A) provides that nothing in this chapter is to be construed to authorize reimbursement for:

(9) Costs associated with the closure or removal of underground storage tank systems in compliance with rule 1301:7-9-12 of the Administrative Code. Where closure or removal costs, associated with rule 1301:7-9-12 of the Administrative Code, are intermingled with corrective action costs and are not separately ascertainable, the director shall determine corrective action costs to be reimbursed based upon a reasonable standard[.]

Ohio Administrative Code section 3737-1-09(A) provides that nothing in this chapter is

to be construed to authorize reimbursement for a markup for:

(17)(a) Costs of disposal, disposal facilities, and treatment facilities[.]

The rules set out above describe preconditions to expending PUST Financial Assurance Fund monies. First and foremost, the work identified for reimbursement must be corrective action, that is, work required to be performed to meet the requirements of the State Fire Marshal as delineated in rules adopted by the State Fire Marshal under Ohio Revised Code sections 3737.88 and 3737.882. These State Fire Marshal rules determine when corrective action is required and when corrective action is not required. On January 12, 2021, the date the tanks were removed from the site, the State Fire Marshal had established levels of contamination from petroleum products reflecting when corrective action was required and when it was not. These levels of soil contamination from petroleum demanded corrective action when contamination was found to be above the action level set, and when the contamination was found to be below the action level set, corrective action was not required.

In the case herein, the contamination from naphthalene found to be present in soil sample SP-16, a sample taken from the site on January 12, 2021, was determined by laboratory analysis to be below the action level for naphthalene set by the State Fire Marshal, and therefore not a level of contamination requiring corrective action. The fact that the contamination level was determined to be below the action level for naphthalene meant that the soil did not have to be moved from the site, or disposed of, or treated. Even if the soil had been found to be above the action level, Ohio Administrative Code section 3737-1-09(A)(17)(a) would deny reimbursement for any markup for disposal costs. The invoice at issue herein includes a fifteen percent (15%) markup for soil disposal, a claim that would be denied even if the soil were required to be

removed.

In the case herein the soil contamination was determined to be below the State Fire Marshal's action level and therefore not requiring corrective action. While the soil sample in question exceeded a soil re-use level set by the State Fire Marshal, it remained below the action level set by the State Fire Marshal and therefore did not give rise to a requirement that corrective action occur.

The costs arising from the soil excavation associated with a tank removal are not reimbursable as expressed in Ohio Administrative Code section 3737-1-09(A)(9), and costs arising from activities that are not required as corrective action are not reimbursable as expressed in Ohio Administrative Code section 3737-1-09(A)(7).

Both aspects of the invoice at issue in this case, the costs of removing soil from the site and the administrative, managerial, and record keeping costs associated with removing this soil from the site, are grounded in soil that was not required to be removed from the site. Because the soil was found to be below the State Fire Marshal's action level, the soil could have remained at the site, untreated, requiring no corrective action. The removal of the soil was not corrective action and therefore the costs associated with this activity are not reimbursable by the PUST Financial Assurance Fund.

This is not to say that the owner and operator of the tanks were without other reasons to remove the soil from the site. The objectors pointed out that to protect the validity of warranties on newly installed underground storage tanks at the site the removal of the soil became necessary. This may be true but the dispersal of funds from the PUST Financial Assurance Fund is wholly determined and controlled by laws and rules promulgated by the Ohio General Assembly, the State Fire Marshal, and the Petroleum Underground Storage Tank Release

Compensation Board. These Ohio laws and rules are the sole authorities relied on by the hearing officer in considering the objection to the June 17, 2022 claim determination issued by Director of the PUST Financial Assurance Fund.

Counsel to the objectors in this case explained at the hearing that one of the reasons the objection was filed and pursued in this case was to draw attention to the need, as understood by the objectors, for a closer coordination between what is determined to be a reimbursable action level approved by the State Fire Marshal and what is considered by the underground storage tank industry to be a level of contamination that requires remedial action. This is a policy question the hearing officer leaves to the policy makers.

In his role as hearing officer in this case, the hearing officer confines himself to the laws and rules bearing on the claim determination issued by the Director of the PUST Financial Assurance Fund on June 17, 2022, and the objection filed to that denial. Using that metric, the denial of the claim for reimbursement issued on June 17, 2022 by the Director of the PUST Financial Assurance Fund is found to be supported by a preponderance of the evidence in the hearing record, is supported by Ohio laws and rules, and comprises valid state action as a matter of fact and law. Accordingly, the Director's June 17, 2022 denial of the claim for reimbursement is recommended affirmed, and the objection to this denial is recommended dismissed.

## FINDINGS OF FACT

1. The real estate at the release site, 418 East Main Street, Williamsburg, Ohio 45176, is owned by Lucky Stars Management, LLC, and is the location of a business, Hilltop One Quick Stop that includes the sale of gasoline and diesel fuel, a business owned and operated by Hilltop One Quick Stop, LLC.

2. Rakesh K. Patel is the managing member of Lucky Stars Management, LLC and is the managing member of Hilltop One Quick Stop, LLC
3. The release site, from January 1, 1983 to January 12, 2021, contained two 10,000-gallon gasoline underground storage tanks and one 10,000-gallon diesel underground storage tank.
4. The underground storage tanks at 418 East Main Street, Williamsburg, Ohio 45176 were removed on January 12, 2021.
5. In January, 2021, with the removal of the three underground storage tanks from the site, eighteen (18) soil samples were collected from the site and analyzed by a laboratory.
6. Soil sample SP-16, collected from the site in January, 2021, reported a naphthalene contamination level that was above the State Fire Marshal's re-use level but below the State Fire Marshal's action level for naphthalene.
7. No soil sample collected from the site in January, 2021 revealed, through laboratory analysis, a contamination level above the State Fire Marshal's action level.
8. An application for reimbursement from the PUST Financial Assurance Fund for completed program tasks at the site in the amount of \$13,024.74 was submitted by Lucky Stars Management, LLC on October 5, 2021.
9. The October 5, 2021 claim for reimbursement included \$11,111.44 for the costs of removing 568.36 tons of soil from the site, with this amount including a fifteen percent (15%) markup for the disposal of this soil.
10. The October 5, 2021 claim for reimbursement included \$1,913.30 for the costs of administering, managing, and record keeping associated with the disposal of the 568.36 tons of soil
11. On June 17, 2022, the Director of the PUST Financial Assurance Fund issued a written denial of the reimbursement application filed on behalf of Lucky Stars Management,

LLC and Hilltop One Quick Stop, LLC, finding the laboratory analyses of the soil samples taken from the site revealed contamination levels below State Fire Marshal action levels and therefore soil that did not require corrective action.

12. The Director of the PUST Financial Assurance Fund in her June 17, 2022 denial also referred to the prohibition against reimbursement for markups arising from the disposal of soil, as expressed in Ohio Administrative Code section 3737-1-09(A)(17)(a), and the prohibition against reimbursement of costs not associated with performing corrective action, Ohio Administrative Code section 3737-1-09(7), or costs associated with the closure or removal of underground storage tanks to remain in compliance with State Fire Marshal rule 1301:7-9-12, as expressed in Ohio Administrative Code section 3737-1-09(A)(9).
13. On July 15, 2022, Lucky Stars Management, LLC and Hilltop One Quick Stop, LLC filed a written objection to the June 17, 2022 denial of their October 5, 2021 claim for reimbursement by the Director of the PUST Financial Assurance Fund, and requested an administrative hearing on their objection.
14. A record hearing was scheduled for and convened on May 5, 2023 at 10:00 a. m. in the boardroom of the PUSTRCB; the record hearing concluded on May 5, 2023 at 11: 00 a. m.; the parties waived post-hearing submissions.
15. The objectors, Lucky Stars Management, LLC and Hilltop One Quick Stop, LLC, possess standing in this proceeding pursuant to Ohio Revised Code section 3737.92(F), through a timely filed written objection and request for an adjudication hearing, submitted to the PUSTRCB on July 15, 2022, within thirty (30) days from the mailing of the claim determination issued by the Director of the PUST Financial Assurance Fund on June 17, 2022.
16. This matter is properly before the Petroleum Underground Storage Tank Release Compensation Board for review and disposition.

## CONCLUSIONS OF LAW

1. Ohio Revised Code section 3737.91(A) authorizes the creation and operation of the Petroleum Underground Storage Tank (PUST) Financial Assurance Fund.
2. Ohio Revised Code section 3737.91(B) provides that the purpose of the PUST Financial Assurance Fund includes the payment or reimbursement of corrective action costs.
3. Ohio Revised Code section 3737.92(E) provides that the Director of the PUST Financial Assurance Fund may make a determination to approve or disapprove a claim for reimbursement made upon the PUST Financial Assurance Fund.
4. Ohio Revised Code section 3737.92(E) provides that upon making a determination of a claim under this section, the Director of the PUST Financial Assurance Fund is to provide written notice of the claim determination to the responsible person who submitted the claim for reimbursement, and is to send a copy of the claim determination to the State Fire Marshal.
5. Ohio Revised Code section 3737.92(F) provides that if the responsible person who submitted a claim objects to the determination of the claim by the Director of the PUST Financial Assurance Fund and files a written objection to the determination within thirty days after the mailing of the notification of the claim determination, the PUSTRCB shall appoint a referee to conduct an adjudication hearing on the claim determination, with the adjudication hearing to be conducted in accordance with Ohio Revised Code section 119.09.
6. Ohio Revised Code section 3737.92(B)(3) provides that before authorizing any reimbursement from the PUST Financial Assurance Fund to pay all or any portion of a reimbursement claim, the Director of the PUST Financial Assurance Fund must determine that the costs to be reimbursed are for activities necessary to comply with the rules of the State Fire Marshal adopted under Ohio Revised Code sections 3737.88 and 3737.882 governing corrective actions.

7. A preponderance of the evidence in the hearing record substantiates the Director's conclusion that the claim for reimbursement at issue in this case was for costs that were not connected to corrective action activities because the level of petroleum contamination at the site at the tanks' removal on January 12, 2021 had been found to be below action levels set by the State Fire Marshal through rules adopted by the State Fire Marshal under Ohio Revised Code sections 3737.88 and 3737.882.
8. Ohio Administrative Code section 1301:7-9-16, a rule adopted by the State Fire Marshal under Ohio Revised Code sections 3737.88 and 3737.882, provides that if excavated soil is sampled and found not to exceed action levels set by the State Fire Marshal, “ ... then the excavated soil may be deposited in the original excavation without further treatment...”
9. Ohio Administrative Code section 3737-1-09(A)(7), a rule adopted by the PUSTRCB, provides that nothing in this chapter is to be construed to authorize reimbursement for: “... Costs not required for performing corrective action completed in accordance with rules of the fire marshal adopted under sections 3737.88 and 3737.882 of the Revised Code...”
10. Ohio Administrative Code section 3737-1-09(A)(9), a rule adopted by the PUSTRCB, provides that nothing in this chapter is to be construed to authorize reimbursement for costs associated with the closure or removal of underground storage tanks, and where such costs are intermingled with corrective action costs, only the costs associated with corrective action are to be reimbursed.
11. Ohio Administrative Code section 3737-1-09(A)(17), a rule adopted by the PUSTRCB, provides that nothing in this chapter is to be construed to authorize reimbursement for a markup on the costs of soil disposal.
12. The costs claimed for reimbursement from the PUST Financial Assurance Fund are not costs arising from corrective action activities; the costs claimed for reimbursement are not reimbursable by the PUST Financial Assurance Fund; the Director's denial of the claim issued June 17, 2022 is lawful, supported by a preponderance of the evidence in the

hearing record, and recommended upheld.

## RECOMMENDATION

Based upon the foregoing Findings of Fact and Conclusions of Law, the hearing officer recommends to the Petroleum Underground Storage Tank Release Compensation Board that the denial of the October 5, 2021 reimbursement claim from Lucky Stars Management, LLC and Hilltop One Quick Stop, LLC, issued by the Director of the Petroleum Underground Storage Tank Financial Assurance Fund on June 17, 2022, be **AFFIRMED**, as valid state action as a matter of fact and law.
